

Accessing HP NonStop Tools and Download Files

To Access NonStop Tools and Download Files

This document describes how customers can access NonStop tools and download files on Software Depot:

1. Go to the HP NonStop Support and Services Tools page on Software Depot at:<http://h20392.www2.hp.com/portal/swdepot/displayProductInfo.do?productNumber=NSSPRTSVC>.
2. Click **Download** next to the name of the tool you want to download.
3. Follow the instructions on the download page.
